Sir:

The following remarks are submitted to be fully responsive to the Office Action of January 23, 2007. Reconsideration of this application in light of the remarks and the allowance of this application are respectfully requested.

USC 101 Rejection

Referring now to the Office Action, claims 1-19, and 21-28 are rejected under 35 U.S.C. 101 because the claimed invention is inoperable and thus lacks utility. Applicants respectfully traverse.

In a previous amendment, Applicants added the limitation “a monitoring system that monitors, at the first device, consumption of digital content of a file selected from the digital content storage, and generates usage data based on one or more usage events and indicative of the manner in which the digital content is consumed, wherein said selection of said file does not involve an online session with a goods or services provider” in claim 1, the limitation “monitoring, by the first device, consumption of digital content of the stored digital content files, which are selected from the digital content storage for
